

## **Mission**

### Maragogype as meeting point

Maragogype (Super Bean Great Choice) is a holding of knowledge, experience, dedicated craftsmen, coffee lovers and hospitality connoisseurs. Together we create formulas and concepts, even introduce new hospitality businesses. We share our love for good food and drinks and maintain for that a network of selected producers, farmers, coffee roasters, cooks and baristas.

Taste, fair compensation, respect for the environment, collegiality are the keywords for this grouping and cooperation.

Maragogype acquires and starts inspiring projects with Brian Brouwer as a stimulator, a operator who catalyzes and converts the activities.
